Re: RR 14L-25R

Dear Mr. Jordan:

I am in receipt of your letter requesting that Warriors for Liberty (C00545087) provide an explanation as to why the committee's Amended 2013 Year-End Disclosure Report disclosed Line 11(a) Receipts of \$241,026.52; Line 21(b) Operating Expenditures of \$211,995.28; Line 22 Affiliated Transfers of \$14,000; and Line 10 Debts and Obligations of \$125,519.20 where the original report disclosed no activity.

On May 28, 2014 the Committee filed Form 99 that stated:

In early February 2014, representatives of Warriors for Liberty were looking for someone to assume the role of Treasurer of the Political Action Committee and replace the original Treasurer. An amended Statement of Organization (Form 1) was filed on February 6th, listing Scott B. Mackenzie as the new Treasurer. The first order of business was to amend previously filed FEC Disclosure Reports as the previous Treasurer was not experienced in filing these reports and had difficulty using the FECfile software.

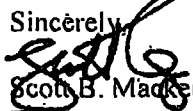

On February 21st, an amended FEC Report was filed that disclosed an increase in receipts totaling \$14,441.48 and an increase in disbursements totaling \$10,218.51 from the amounts disclosed on your original report.

There were nearly 7,000 transactions, most from the committee's small donor program and the numbers just overwhelmed the previous Treasurer, who although well-meaning, realized that a change was critically needed.

The amended report details all the activity taking place during the reporting period.

There is an important point that the above statement missed. Although it is true that the previous Treasurer was unprepared to file thousands of transactions; the unreported transactions were those of a direct mail fundraising program and the receipts and disbursements were handled through an Escrow Account. The point missed was the fact that the Treasurer learned that those transactions needed to be reported shortly after the original report had been filed. That was the point at which it was decided that a new Treasurer needed to be brought in to correct the discrepancy.

The Committee has in all cases taken steps to comply with the federal reporting requirements and has ceased its activities and made the decision to terminate upon completion of this process.

Sincerely,

Scott B. Mackenzie
Treasurer
